

MEMBERSHIP FORM

The arts teach a common core of knowledge that help students appreciate and understand human history and cultures, develop higher order thinking skills, express their own creativity, and develop a lifelong appreciation for the arts.

PAINTS is a non-profit arts support organization comprised of parents and community members whose mission is to promote the vital role of the arts in education. PAINTS raises funds for visual arts and arts-related programs in Piedmont schools, funds grants for special projects, and displays student art within Piedmont and beyond.

Your generous donations provide the following:

- Art stipends fund art supplies for classroom teachers and art specialists in all six Piedmont schools.
- Grants are awarded to teachers for special art projects ranging from an impressionist painting class for PMS French students to live models for high school art classes to illustrator/author assemblies for all three elementary schools.
- Art Educator Grants are awarded for the professional development of teachers and other staff each year.
- Art Events such as the Chalk Art Festival, Tri-school Art Show, Art IS Education Day and the annual Bird House Gala fundraiser.
